

Publications Reissue Highlights

Manual: *BASE24 Remote Banking Customer Service Support Manual*

Number: TB-DT010-01

Version: 03

Date: 09/2000

The following table highlights the major changes that have been made to the *BASE24 Remote Banking Customer Service Support Manual* in this version. The first column of the table lists the sections and appendixes in which major changes have been made. The second column of the table describes the major changes for each section or appendix. This version updates the manual from its previous version for product release 1.3.

Section/ Appendix	Major Changes
1	Adds descriptions of the Check Stop Payment Add Response screen, Statement Closing Download Response screen, and Statement Download Response screen to the discussion of BASE24-telebanking transaction screens and to the transaction-screen relationship graphic. Adds the CHECK STOP PAYMENT ADD, STATEMENT CLOSING DOWNLOAD, and STATEMENT DOWNLOAD transactions to the table of BASE24-telebanking transactions and initial screens.
2	Reorganizes the transaction categories and adds descriptions of the check stop payment add, statement closing download, and statement download transactions.
3	Adds step-by-step procedures for the statement closing download, statement download, and check stop payment add transactions.
7	Adds the check stop payment add format of the Authorization Request screen. Includes the statement closing download and statement download transactions in the description of Authorization Request screen 1, one-sided set 3 format.
11	Adds a new section describing the Check Stop Payment Add Response screen.
31	Adds a new section describing the Statement Closing Download Response screen.
32	Adds a new section describing the Statement Download Response screen. The screen has two formats: one for payment transactions and one for all other transactions.
